GOLDEN WARRIOR

$$\frac{09}{8}$$

4-

**W**e remember it so well — those first anxious days at Camden County Vocational and Technical School.

We were destined to make our mark as the Class of 1987. We were determined to be in touch with our world, our school, our lives and our feelings.

As freshmen we wondered how we would fit in. First, there was a sense of **anticipation**. Later, as sophomores, we accepted CCVTS as our own. We belonged in the classes, clubs and corridors.

We learned our trades and the world was ours, or so we thought as juniors and seniors. Soon these feelings of **belonging** matured with the **friendships** we made. The **pride** we felt in our achievements in shop, along with the **excitement** of excelling in sports or activities, became for us the spirit of the Golden Warriors.

Finally, **happiness** and fond memories of CCVTS help prepare us for the future as we say once more with feeling:

***Blue and Gold we love you.***

*Remember the feeling*

GOLDEN WARRIOR, 1987

# Friendship

"Say you, say me . . .

*say it together naturally"*

**F**or a moment, for a lifetime we felt close to someone. The feeling started here at CCVTS. Our friends helped us through the good and bad times. They were an intimate, vital part of campus life. There was always something there to remind us of **friendship**. At first we weren't sure we could trust our secret thoughts with anyone. Later, as the relationship grew, we knew that we could share all our feelings. We felt the fullness of friendships — trust, love, caring — loyalty.

*Anticipation*

**Get ready . . .**

# get set . . . and wait

**I**t was awesome! We were overwhelmed by the campus's size. There were so many questions we couldn't answer:

**Q. How long does it take a freshman to walk from Building #1 to Building #8?**

A. About three years.

**Q. What's the difference between a cafeteria and a cafetorium?**

A. One full-length stage.

**Q. What's an IMC?**

A. A shop where you find books.

As we learned the answers to these questions our feelings of **anticipation** gave way to a sense of belonging. With ease we moved to our classes. And soon every nook and cranny in the school became as familiar as the lines on our hands. We were making history here . . . rooting ourselves deeply into the school family.

**A**s time passed we felt more at home. Since those first timid steps through the doors we had achieved so much. We had mastered our trades and demonstrated our talents in so many activities. Most of the time our hearts were here . . . some of the time we lost our heads here. . . . all of the time our dreams lingered in the long, long corridors of the CCVTS campus.

Our sense of **belonging** helped us fit into the familiar pattern of school life. We learned how to tune out the distracting sounds of shop equipment. But we tuned in to the applause given our class representatives. We got involved with fundraisers and club projects. We noticed the latest styles in clothing or haircuts, and then we created our own styles. We giggled at a friend's favorite expression, while we struggled to express ourselves in class. We felt we belonged to the Class of 1987.

*All of us belong to the*

CAMDEN COUNTY

*Belonging*

*school family*

**S**ports and spirit go hand in hand at CCVTS. It's the feeling we get from competing whether it's soccer or baseball, swimming, bowling, basketball, track and field, or wrestling. Our athletes have felt the 'joy of victory' and the 'agony of defeat.'

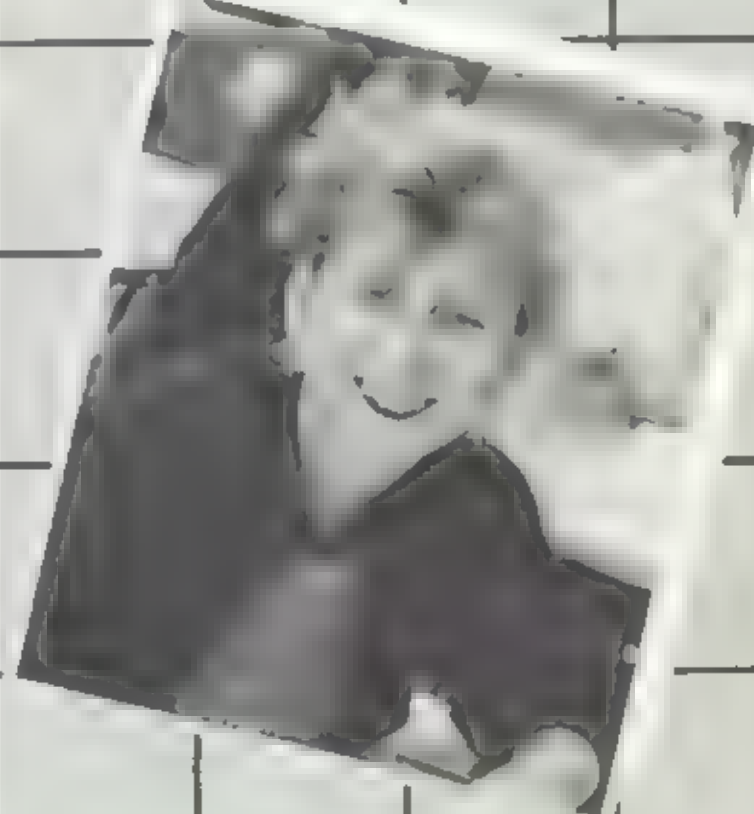

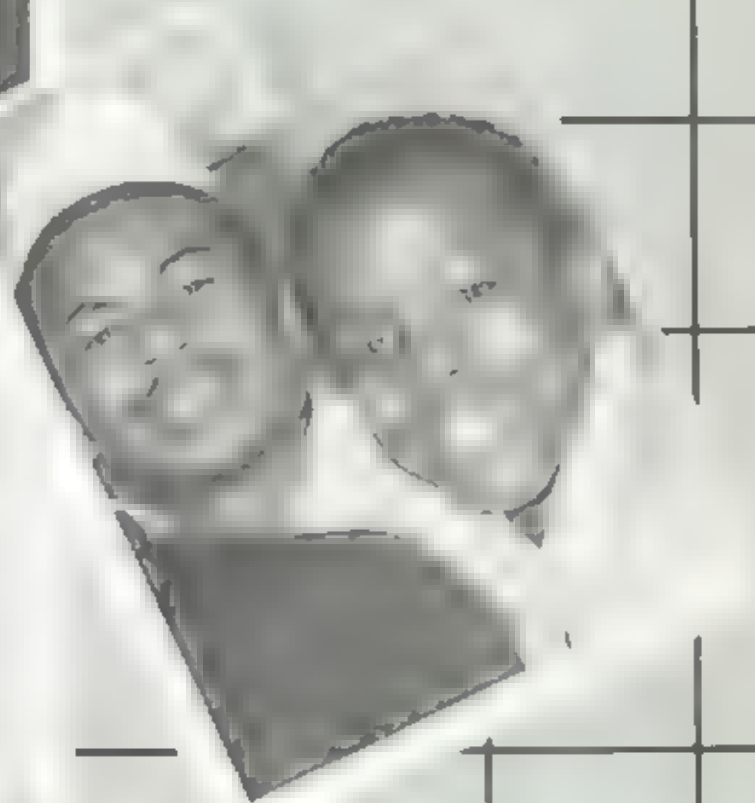

The **spirit** of the Golden Warrior moved us forward as we watched our teams score. With all the excitement of Olympic competition we poured it on. Like well-oiled machines, we scored baskets, batted in runs, crossed finish lines, booted in goals and racked-up points in sports.

At times, sports activities dominated our interests. As we moved from season to season the sights and sounds of athletes going through their drills were everywhere. Blue and gold jerseys dominated the outside fields and tracks. Playoffs, championships and regular games became important to the Class of '87. Like graduating classes before us, we wanted to break records, take titles and secure leads in the games. It was part of our maturing process to learn we couldn't always be winners. We learned how to lose gracefully. But we also learned how to hold our spirits high.

***Aim high and score one***

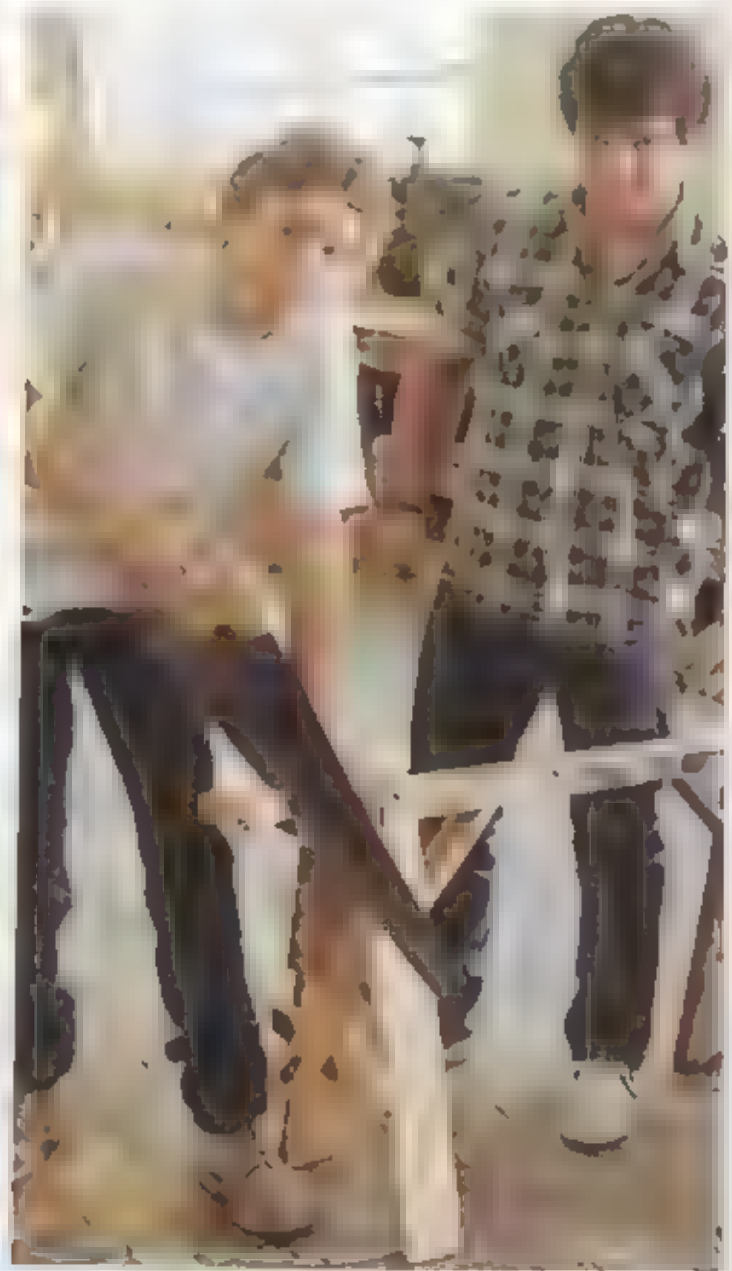

***for spirit***

***Spirit***

*Prada*

*Planning +*

**T**he song from *Flashdance* says that "feeling is believing." And we believe in what we have produced as a class. Down deep we experience the glow of **pride** from what we have made with our hands, or molded with our hearts and minds. The trades that we have learned not only prepare us for today, but also for tomorrow.

The skills we learned in the classrooms and shops will help us make contributions to our community, our world. With hammers and nails, wood chisels, scissors, wrenches, squares, computers, typewriters and so many other tools related to our trades we will build a new world.

*perseverance = pride*

# *The excitement of preparing*

**F**eelings of excitement sweep over us as we remember the past and look to the future. So much has happened to us in our four years at CCVTS. Fond memories stir within us as we remember people, places and things that look place within our familiar world. As the Class of 1987 we will be expected to make our mark in a very different world. These thoughts exhilarate and frighten us.

Soon we will move into uncharted waters and once again experience those same anxious feelings we had when we first came to this school. For as long as we can we hold fast to the excitement created by the Prom, the Senior Class Trip, Graduation Day and all the other parties, victory celebrations and get-togethers.

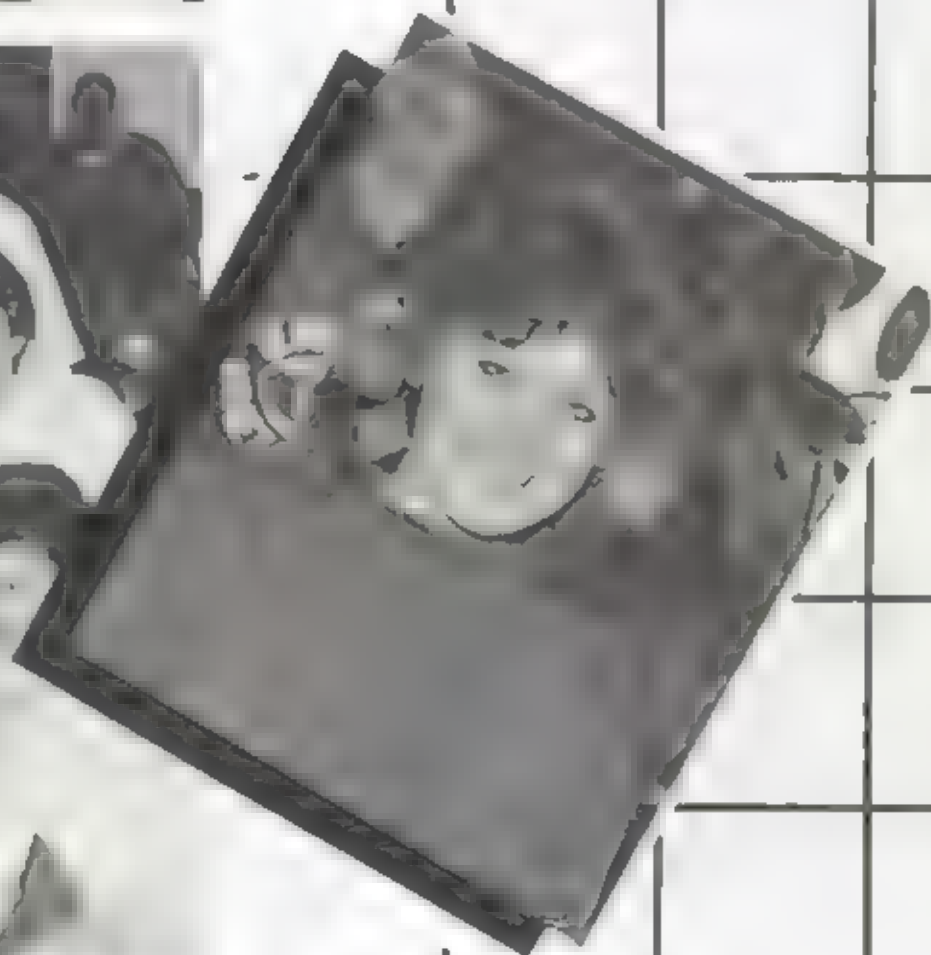

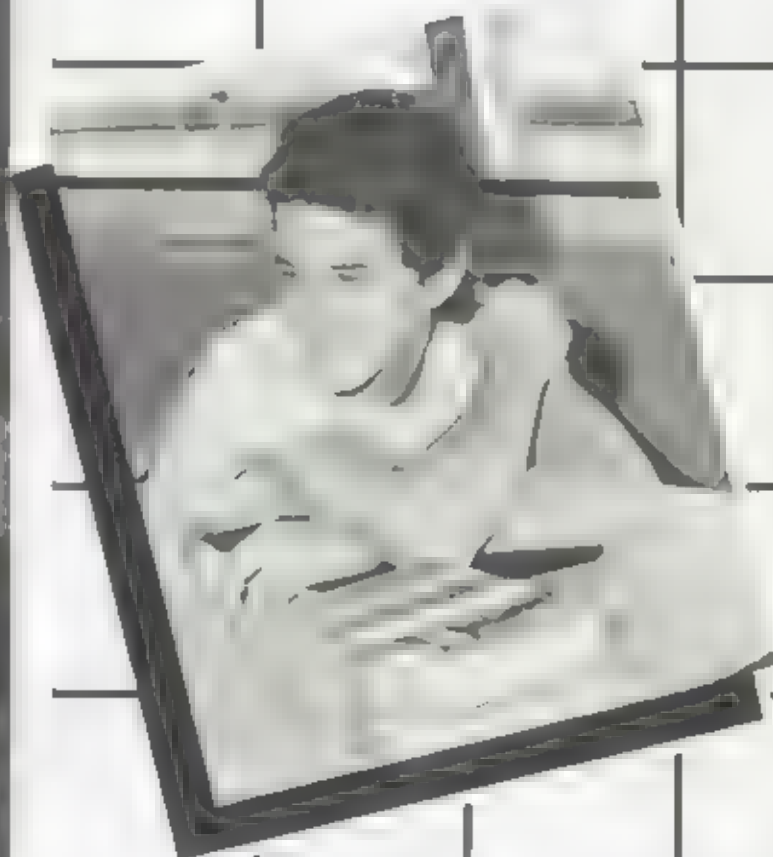

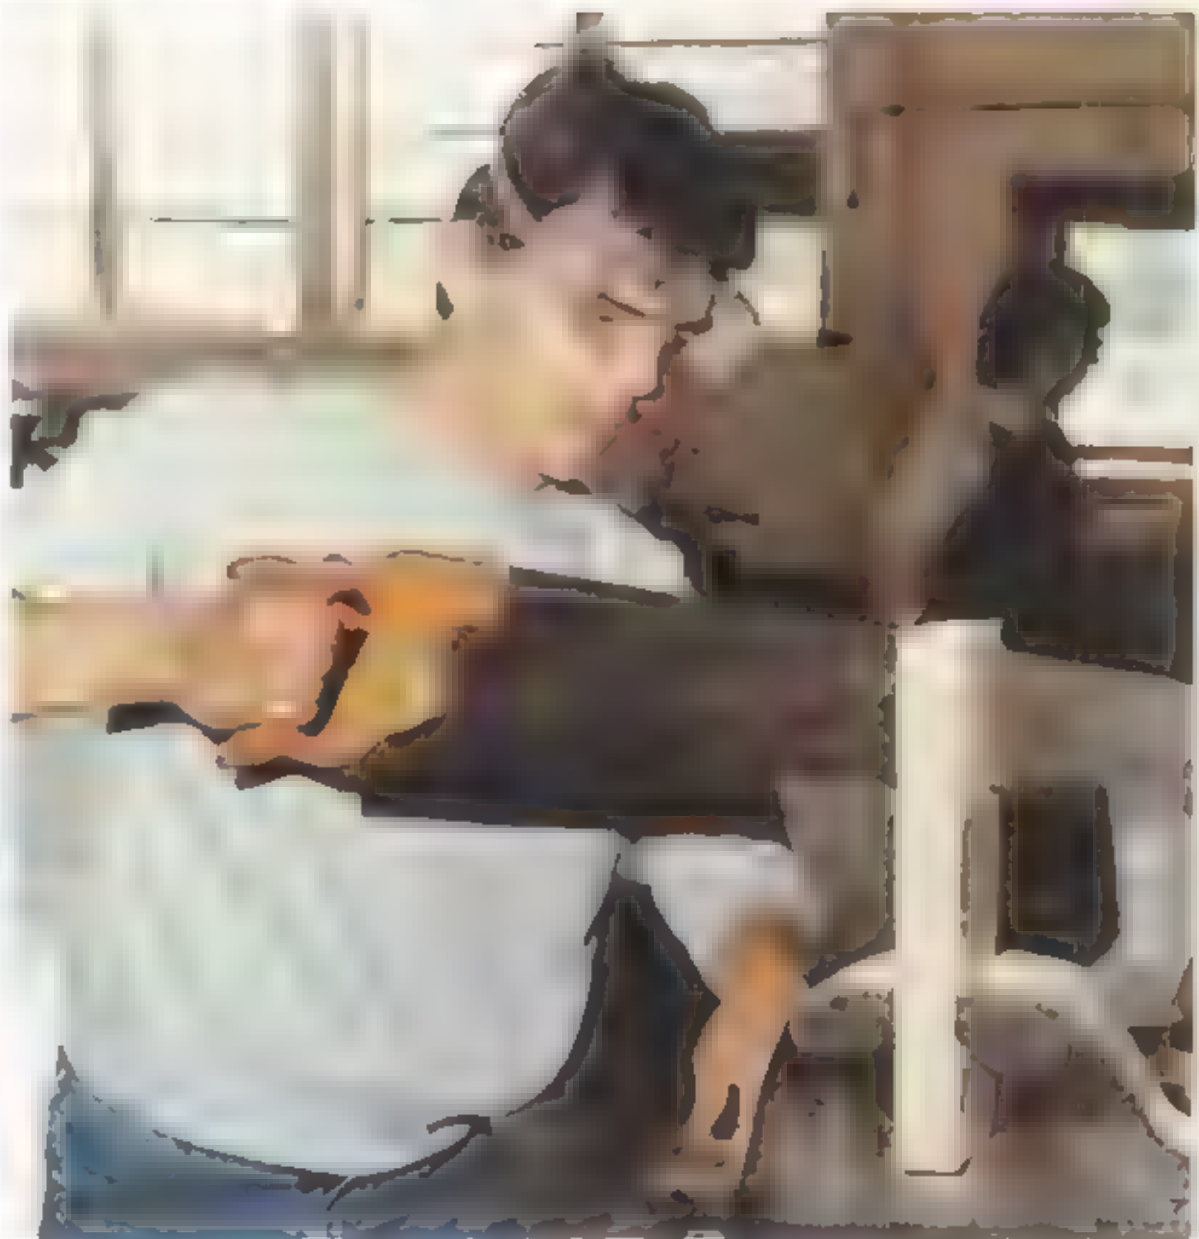

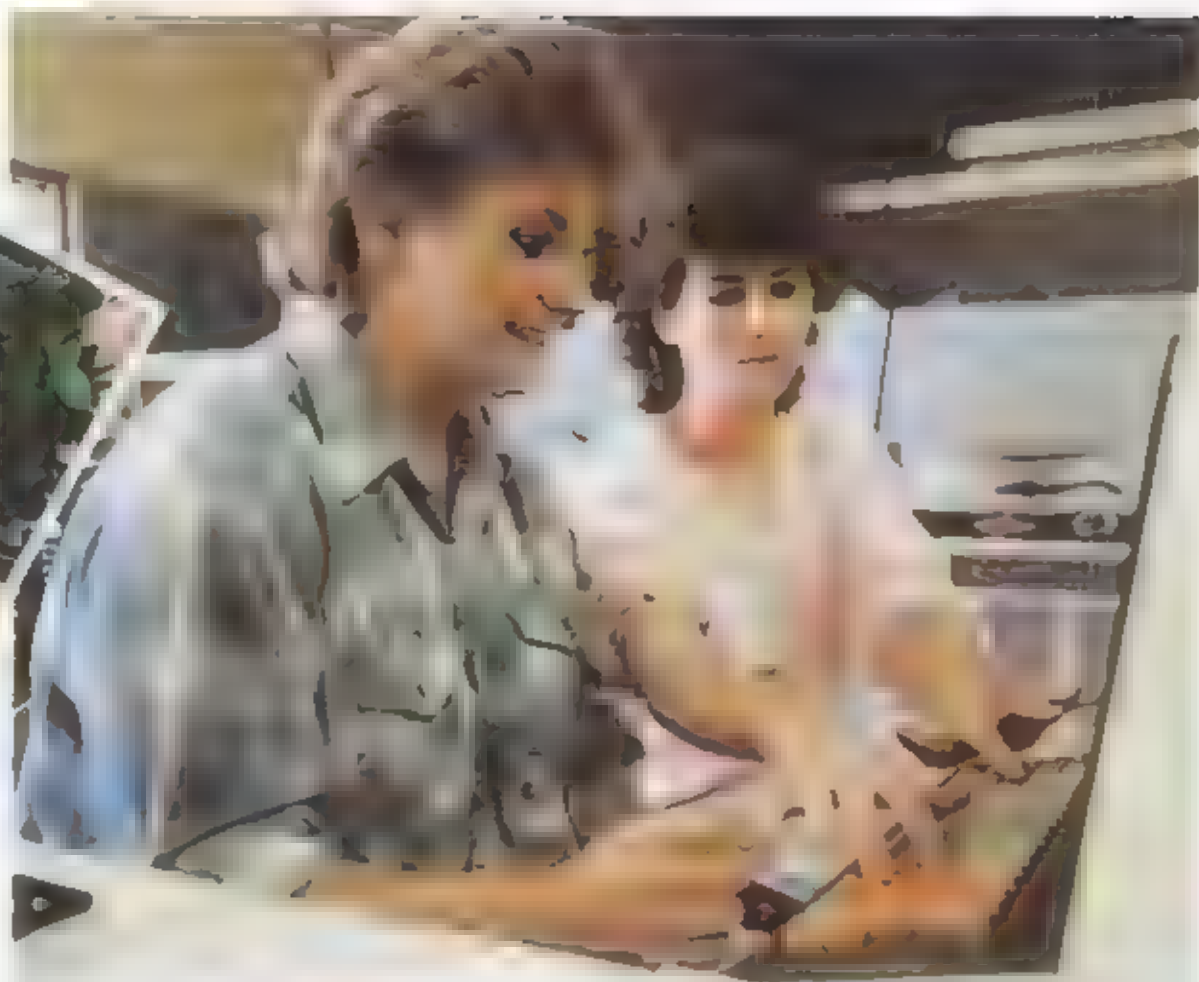

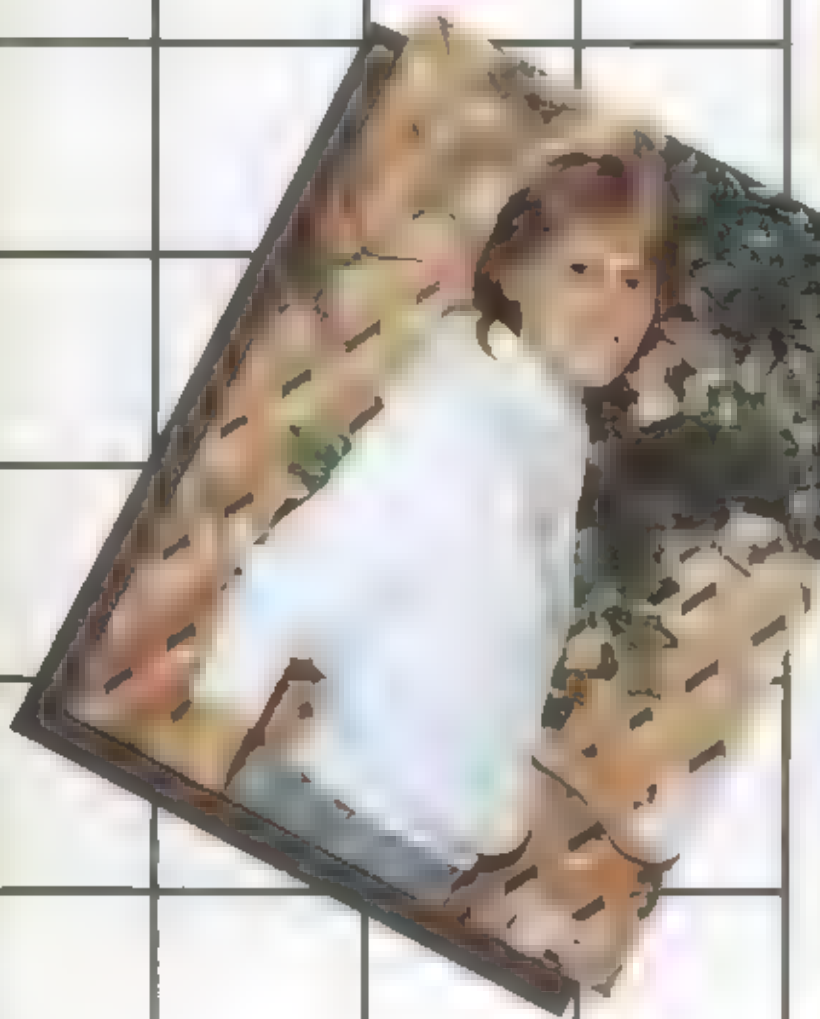

***for the future***

***Excitement***

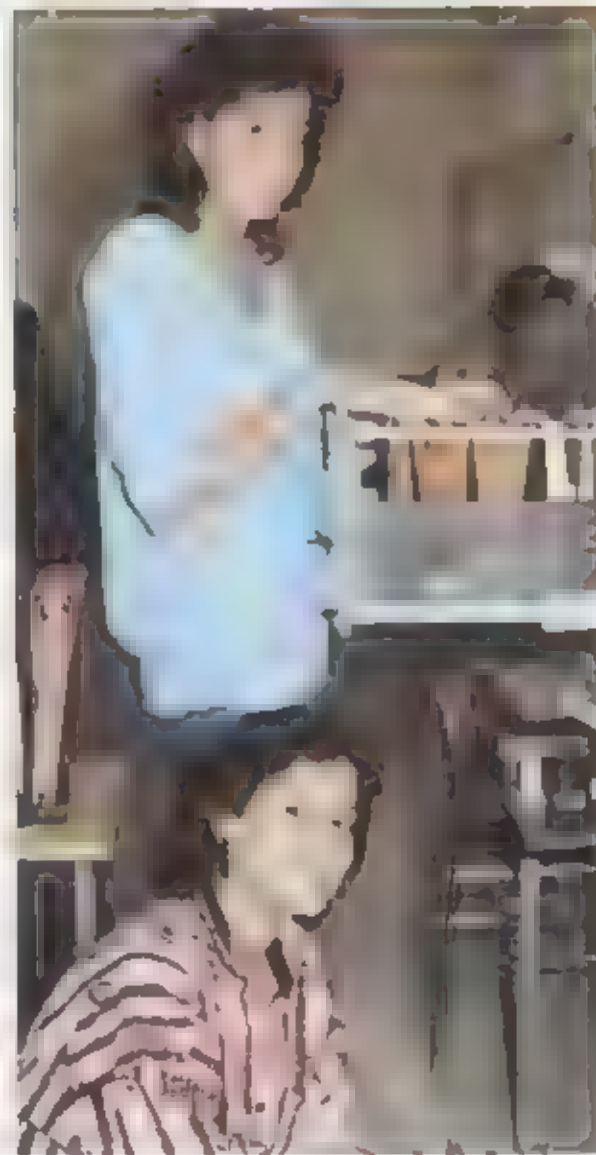

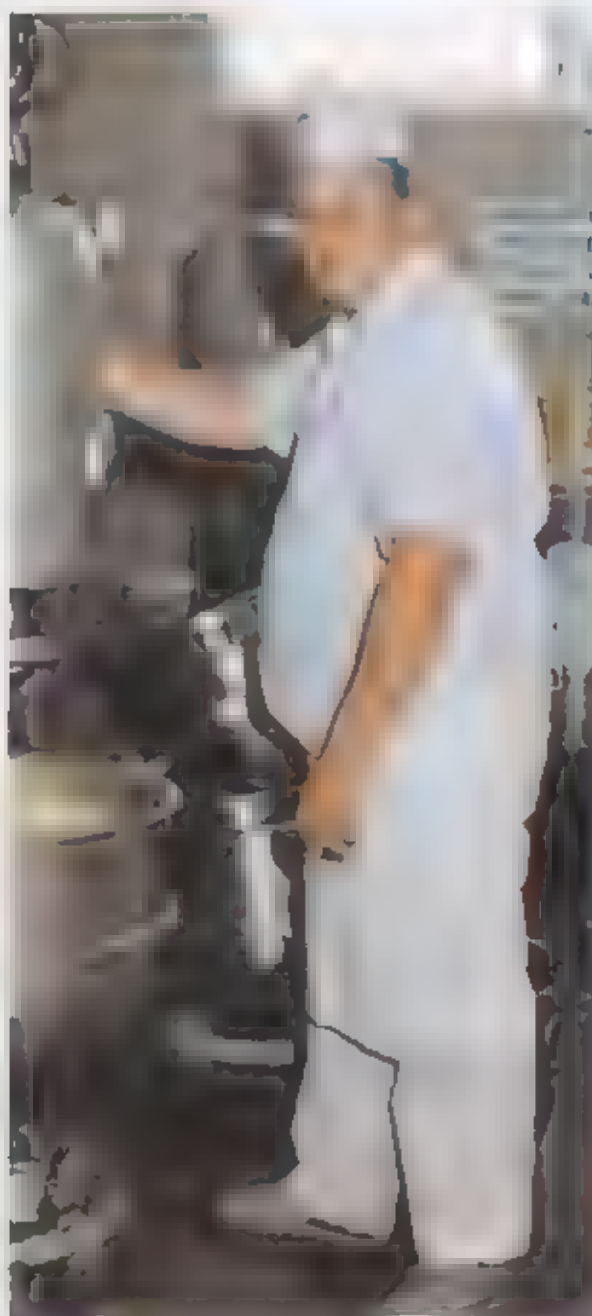

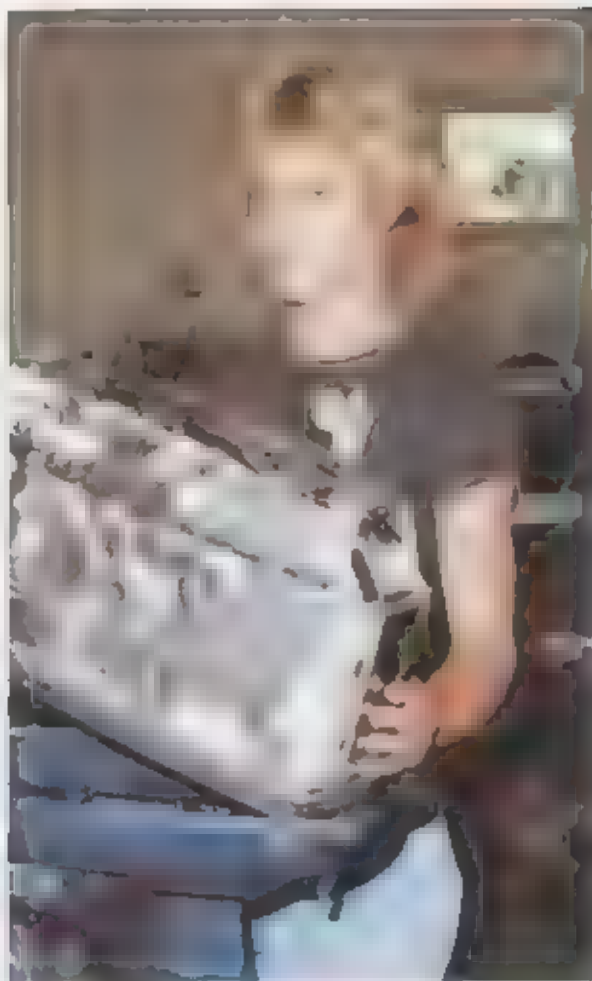

*Happiness*

*Happiness knows*

**W**e remember all the happy moments that brightened the dark corners of our lives. Our unique contribution as the Class of 1987 would be to bottle that feeling and pass it on to next year's graduating class

**Happiness** encompasses all the feelings we remember about CCVTS. It's a part of the pride we feel about our achievements. It's the excitement we feel when we win a game. Happiness is knowing that some of the best friendships were made here. Happiness is also knowing we belong to a school that cares about its students.

Probably the greatest happiness we will ever feel is the joy and love of our parents, relatives and friends. To all those who have supported us through our years at CCVTS, we know that they will share and remember the feelings.

## *Dedication*

Working with the Class of '87 during the past four years has been a pleasure. I've experienced the energy and enthusiasm of many young adults as they learned to work together to accomplish goals and objectives.

If the students at C.C.V.T.S. are representative of young people in general, I am optimistic about the future. They have demonstrated a willingness to get involved and know the value of a job well done.

*Donald C. Krause*

I'm honored and excited about having the yearbook dedicated to me. It's difficult to find the word that sums up my feelings about the Class of 1987.

As fundraisers, they've been the most successful I've ever worked with. All their activities from the Freshman Magazine to the Senior Prom were rewarding experiences due to the class's efforts.

Looking back, my most memorable moment would have to be the Senior Prom. The Class of '87's hard work, dedication and commitment paid off in a spectacular evening. I was very pleased to have been part of those endeavors.

# *We Pause To Remember . . .*

*Joseph W. Cowgill*

**Senator Cowgill** served as CCVTS School Board President from 1973 until he died in November 1986. His death marked the close of a life-long commitment to community service. He was a Camden native who graduated from Camden High School in 1925. He received his law degree in 1933 from the University of Pennsylvania. He served two terms as a New Jersey State Senator and was a delegate-at-large to the Democratic National Convention. Mr. Cowgill's death ended over 50

years of professional and political service to Camden County youth which included President of CCVTS Board of Education, the Camden Home for Children and the Society for the Prevention of Cruelty to Children. "Senator Cowgill was a true leader who was totally committed to the growth and development of Camden County Vocational and Technical Schools. We will miss his strength of purpose and his dedication to our school system," noted Superintendent R. Sanders Haldeman.

# *We Also Remember . . .*

*William Auge*

Retired faculty member William (Bill) Auge died in November. He taught Radio and TV Electronic Equipment Servicing since the school's opening in 1968. Prior to teaching at CCVTS, Mr. Auge taught evening school at the Pennsauken campus. Faculty and friends knew him as a quiet, gentle man. "He was dignified, quiet spoken, and very pleasant", said Polly Hartman, School Secretary.

Principal Charles Ebbecke and Curriculum Coordinator, Thomas Byrd remember "Bill" Auge as a great teacher, former business owner and Marine Corps veteran who had a passion for flying small planes. Because their lives interacted in so many ways, Mr. Ebbecke felt a great personal loss over Mr. Auge's death. "Bill was a good friend. I will miss him in so many ways."

Two of his students remember him this way: "Mr. Auge was much more than a teacher. He was a friend to us in Radio and TV. He demanded and expected a lot from us, but he always got results. He will always be remembered for giving us a start in life," John Kopfle, a senior said. Another senior, Doug Spencer, remarked, "Mr. Auge was always willing to help us and he was very well mannered."

*Hiacynth Cavalli*

Business leader, motivator and teacher, Hiacynth Cavalli, died in December 1986 after a long illness. Cavalli was hired in 1981 as a Marketing Education teacher and went on a medical leave in 1985. He came to CCVTS with a background in business, retail management and education. He was a top insurance agent for Mutual of Omaha and a general manager for the Pennsauken Mart.

Calvalli received his master's degree from Temple University and his B.S. from Rutgers University. Before coming to CCVTS, he taught at Lincoln Prep and Gloucester and Cherry Hill High Schools.

Extensive experience in retail management and merchandising made Calvalli a valuable asset to Marketing Education students. Former student Gloria Roebuck described him "as a great teacher, very helpful and knowledgeable. We worked together as a class and used role playing as a way to understand retail merchandising." Another senior, Debbie Miller, said "Mr. Calvalli taught me how to set up displays and how to use my ideas to their best advantage. He recognized my good traits and boosted my confidence," she added.

**NOTE** In pausing to remember Mr. Auge and Mr. Calvalli, we gratefully acknowledge their contributions to CCVTS and we extend sympathy to their families.

Although the Boys' Cross Country Team suffered many losses in a tough Olympic Conference, they did emerge victorious seven times this year. On top of that, they brought home the second-place trophy from the New Jersey Vocational-Technical Athletic Conference Championship for the second year in a row.

All team members, except Senior **Doug Spencer**, will be returning. Included in these returnees are "Most Improved" award winner **Lonnie Williams** and "Rookie-of-

the-Year" **James Belamy**. With all of these young runners the Gloucester Tech team cannot help improve

\*\*\*

This was the initial Girls' Cross Country Team at the Gloucester Campus. In the Courier Post top 20, the team ranked 20 out of 85, and finished ninth out of 18 in the Olympic Conference Championship. The team consisted of **Tiwana Terrell, Kelly Hurst, Claudette Hand, Tara Martin** and **Robbie Taylor**.

"The soccer team did well this season considering their schedule," noted coach Mike Chabrol. Chabrol pointed out that the team faced very stiff competition in the Olympic Conference. He expected next season to be more successful in the smaller, National Division Conference.

Outside the league, soccer players did well beating every team they played according to Chabrol. CCVTS defeated Mt. Holly Vo-Tech, Pennsau-

ken and Medford Vo-Techs. The highlight of the season was the second place win in the State Vocational Tournament.

**Marcello DeSousa**, a midfielder, was credited as an outstanding player for this season. Coach Chabrol also said that solid contributions were made by **Jeff Groach**, **Corey Phillips**, **John Medina** and **John Bucanis**.

# Soccer

The 1986 J. V. Soccer Team was comprised of many inexperienced Freshmen and Sophmores, which made the season a learning experience for all. Although surrounded and outnumbered two to one by hostile teams there were some shining moments of glory

Individual recognition for excellence in play and team leadership went to

goalie **Harry Copeland** (M.V.P.) Freshman M.V.P. honors went to **Eladio Baltodano**. Most Improved honors went to **Dale Russella** who really hustled

Next year's soccer schedule looks very promising, and with our veterans returning, we should double our victories

The Junior Varsity Basketball Team had two wins and 19 losses this year. They competed for the second year in the American Division of the Olympic Conference. Outstanding seasons were turned in by **Damon Hurt** at shooting guard, **Monroe McCloud** at small forward and **Manuel Feliciano** as captain and point guard.

CCVTS played outstanding ball against Deptford, which was a victory, and against Pennsauken High School who finally defeated us in overtime. Our other victory was a blow out of Medford Vocational School at home, a game in which the entire team performed well.

Overall, the team represented themselves and the school well.

## Basketball

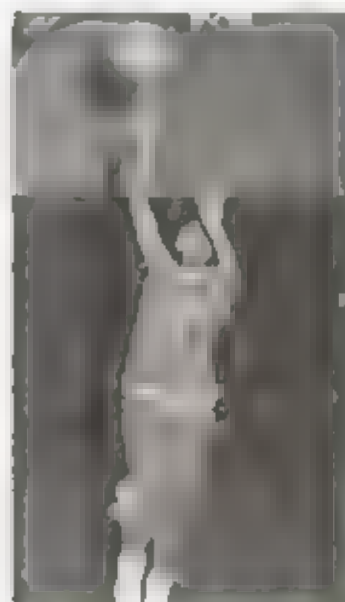

The Girls' Basketball team started the season with an exciting second place finish in the Vocational Invitational Christmas Tournament. From that point on it was an uphill battle in the always powerful Olympic Conference American Division.

The team did manage three victories, and they expect the experiences of this season to propel them to a victorious year in the less powerful National Division.

Special recognition was given to **Terri Alicea** who was named Honorable Mention Conference All-Star Team. Terri also won the M.V.P. award. **Lisa Richardson** received the "Rookie-of-the Year" award.

With **Aida Perez** the only Senior on the team, Coach McMiken and Coach Dobbins feel confident about the team's prospects in the 1987-88 season. Good Luck Lady Warriors!

# Swimming

The Swim Team made history by winning its first 100-meter mete on Dec. 9, 1986 with a 107-51 victory over Pitman High School. Team leaders were seniors **Sean Reardon, Roger Weikle** and **Ron Casmer**.

**John Madden** was the team's medal winning diver, while **John Medina** stroked ahead of his competitors

Underclassmen **Mike Wilson, Kevin Hennesy, Mike Lamalfa** and **Bob Lavendor** contributed greatly to the team's success

Newcomers **Dale Russella, Ken Alexander, Pete Thomas, Erick Vandergrift, Tim Wagner, Jose Mendez, Aaron Brown, John Chang** and **Chris Foschini** rounded out the squad

# Wrestling

The Wrestling Team featured some strong returning wrestlers, but was largely made of new wrestlers who developed extremely well over the season. Our campus hosted the State Vocational Wrestling Championship and finished third place in the tournament. Six of our wrestlers did manage to reach the finals. They were **Doug Spencer, John Dickerson, Henry Sulzman, Victor Bianco** and **Marcelo DeSousa** finishing second place. **Darral Simmons** was a tournament champ at

148 pounds. **James Bey** also captured a medal with a third place finish.

Other seasonal highlights included several close matches, and a couple of upsets which helped pull the team together and kept them improving. The team recorded three Olympic Conference wins — Gloucester Cath., Pennsauken and a rout of Penn Tech 63-6. Most of the team members are optimistic about a winning season next year.

# Bowling

The Girls Bowling Team had a very successful year. They competed in the American Division of the Olympic Conference. The Varsity record was 30½-45½. The Junior Varsity record was 41-35.

The highlight of the season was winning the New Jersey State Vocational Bowling Championship. The team was behind last year's champ, Burlington Co. Medford, by 10 pins at the end of the first game. By the end of the second game Medford led by 42 pins. In the third game, the team turned it around and won by a resounding total of 104.

Individual achievements

were many. Captain **Sharon Phillips** was elected to an All-Star Team by the league coaches. Only 10 girls from a total of 200 bowlers achieve this. Sharon was also our High Average Bowler. **Laura Mortimer** scored the highest single game total in the entire league with a big 223. **Charlene Ruffin**, our only Senior rolled the high 3-game series in the Vocational Tournament.

At the Awards Breakfast, trophies were awarded to **Sharon Phillips** as the Most Valuable Player, **Laura Mortimer** as Most Improved and **Lucy Archambo** as Most Valuable Junior Varsity Bowler.

This year's Bowling Team, had a successful season of 42 wins, 20 losses. The team has a winning combination of superior, senior skills and underfreshmen enthusiasm. The team was able to win third place in the Conference. This was a big improvement over the past year.

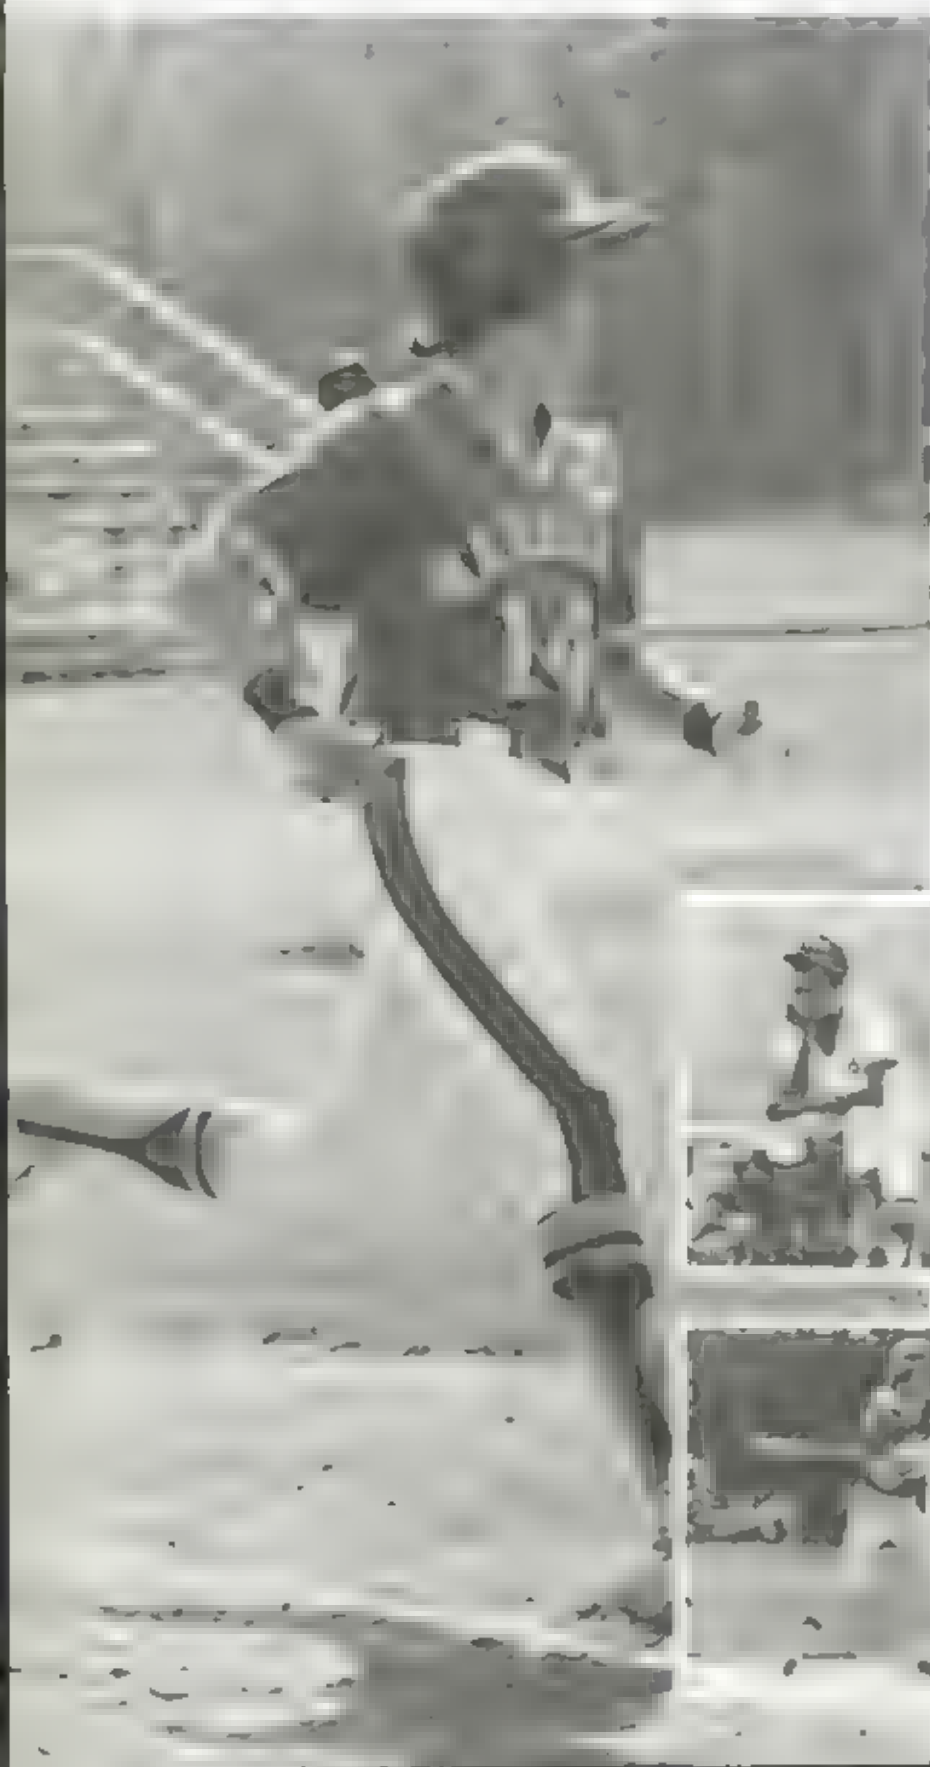

One of the high points of the season was the Vocational Tournament in Somerset. The team was able to take second place. **Jeff D'Santis** took high game with a 226 game. **Dan Galiano**, acting captain, was a consistent winner with an average of 160 and high series of 581. **Bill Pinder** and **Chris Taylor** bowled the most games for the team with 50 games each.

The Warriors Baseball Team competed in the Olympic Conference for the first year. We were a young and inexperienced team that showed steady improvement throughout the year.

The award winners were **John Medina** and **Mike Green**. Other players who had fine seasons were **Duane Gillespie**, **Marc Dolphin**, and **Pedro Fernandez**. The seniors on this year's team were **Mike Green**, **John Wagner**, and **Doug Ney**.

The 1986 Junior Varsity

Baseball had a record of 2-19. The highlight of the season was a 13-6 victory over Camden High School at Camden. That was our first Olympic Conference victory. Outstanding performers were **Nick DiBlasi**, catcher; **Jeff Belliveau**, pitcher; **John Schauers**, 3rd base; **Victor Bianco**, 2nd base and **Joe Ingram** shortstop.

Sportmanship and team discipline were great all year. The team did an excellent job of representing CCVTS during the season.

# Golf

The 1986 Golf Team was very successful in their representation of C.C.V.T.S. during the school's first year in the Olympic Conference. Competition was keen. Senior **John Hewitt** and junior **Tom Shirley** shared the number one position throughout the year. They led the team to several exciting victories.

**Phillip Cillo** and **Jake Hammell** added their talents to the team which gave depth and leadership to the team. We also received a great deal of support from letter winners **Phil Patton**, **Steve Hewitt**, **Bill Taylor**, **Bernie Carter**, **Tom Wilson** and **Mike Wilson**.

Sometimes  
We watch the days go by,  
Wishing they could last,  
And we can't help but wonder  
Why time must fly so fast,  
But we can keep in memory  
Happy moments left behind,  
And we can keep  
Our special dreams  
Of joys  
We hope to find

Thank you for the memories of these past four years  
and hold fast to your dreams of the future .

### **Dedicated to the Class of '87**

The years have come and gone,  
Now there's a future to carry on  
Remember the laughter and some tears,  
That went with the passing of your high school years  
Trouble was something no one could escape,  
Everyone had it in some form or shape  
Sharing together all the things that were good,  
Hoping to learn just as much as you could  
All that has happened, and all that has been,  
Can never be returned to, or lived once again  
Remember the teachers from your high school years,  
Your sorrows, your pleasures, and your juvenile tears  
Graduation will soon be here  
But you as a graduate have nothing to fear. So take a  
step forward,  
And make us all proud  
Make yourself stand out from the rest of the crowd  
And know that your teachers and the rest of your friends  
Will be wishing you well from beginning to end
